

## RESOURCES ON TIBET

### Digital Himalaya

<http://www.digitalhimalaya.com>

A project to develop digital collection, storage and distribution strategies for multimedia anthropological information from the Himalayan region

### EMSCAT

<https://journals.openedition.org/emscat/?lang=en>

*Études mongoles et sibériennes, centrasiatiques et tibétaines* (emscat.revues.org) is a yearly journal online which publishes in French and English. All contributions are peer-reviewed and may be submitted to the editors in digital format at the following email address: [emscat@ephe.psl.eu](mailto:emscat@ephe.psl.eu)

### JIATS/IATS

<https://www.thlib.org/collections/texts/jiats/>

The IATS page of the Journal of the International Association for Tibetan Studies

### JIATS

The Journal of the International Association for Tibetan Studies

### OTDO

<https://otdo.aa-ken.jp>

Old Tibetan Documents Online (OTDO) is a corpus of selected Old Tibetan texts (VIIIth to XIIth centuries): Dunhuang manuscripts, Inscriptions and related materials. We provide critically edited texts together with search and KeyWord In Context (KWIC) facilities.

### RET

<http://www.digitalhimalaya.com/collections/journals/ret/>

*Revue d'Études Tibétaines*. The *Revue d'Études Tibétaines* is a twice-yearly (October and April) journal published by the UMR 8155 (CRCAO) of the CNRS, Paris. The Director of the RET is Dr Jean-Luc Achard, and the editorial board includes Drs. Anne Chayet and Pierre Arènes. All contributions are peer-reviewed and may be submitted to the editors in digital format at the following email address: [jeanluc.achard@sfr.fr](mailto:jeanluc.achard@sfr.fr)

### Tibetan Studies

Tibetan Studies Information Exchange: share data, references and information

### Tibetan and Himalayan Library
